

MAX30105::readPartID

```
graph LR; A[MAX30105::readPartID] --> B[MAX30105::readRegister8]
```

A diagram showing a sequence of two function calls. The first call, 'MAX30105::readPartID', is enclosed in a gray rectangular box. A dark blue arrow points from the right side of this box to the left side of a second rectangular box. The second box, which is white with a black border, contains the text 'MAX30105::readRegister8'.

MAX30105::readRegister8
